CONVENTION SERVICES

Cosplay Guest

Showcasing my handmade cosplay and fashion at venues by “boothing” has been a great way to connect with the general public and support conventions.

Panelist

In the past I have run panels on Cosplay for Beginners, Living In Japan and Lolita Fashion 101.

Cosplay Contest Judge

I have assisted with judging for contests as I have previous training as a industrial seamstress from a local costume company and have been sewing cosplays and my own clothing for over a decade.
